## EDUCATION

### Front End Engineering — *The Iron Yard*, Austin

FEBRUARY 2016 - MAY 2016

### B.A. in Radio/TV/Film — *University of North Texas*, Denton

DECEMBER 2009

Concentration in video and audio editing.

## PROJECTS

### Weddit — *weddit.herokuapp.com*

A wedding planning site, focused on guest experience. Serves as the final project submission for the Iron Yard. Utilizes the following API's: Filestack, Spotify, Google Maps Embed. \*Dummy login: [dansteen@gmail.com](mailto:dansteen@gmail.com) pw: password

### Pointer App — *pointerapp.herokuapp.com*

Built along with 9 other front end programmers. Employed Agile methodologies. The site is a prototype for a real-life client interested in constructing a tool for children to follow along with a story as it is read to them. The word being read is underlined to help with audio/visual association. See the "Stories" page for personal contributions in code/design. \*Dummy login: admin@admin.com pw: admin

### Responsive Sites —

#### *Responsive-ex.surge.sh wills-bootstrap.surge.sh*

A few exercises in responsive design. The first using CSS/Sass, and the other using the bootstrap framework. Currently refactoring past works to be responsive as well.

### Previous & Current — *github.com/willcook4code*

A collection of works, beginning with those done during the Iron Yard course, and into continued projects.

## SKILLS

### Web Development —

JavaScript, HTML, CSS, Sass, Bootstrap, jQuery, Backbone, React, Postgres/SQL, Express, API's, Node.js, Mocha

## EXPERIENCE

### Freelance Video Production/Editing, Austin

JANUARY 2014 - PRESENT

Writer, videographer, and editor of independent short films and videos for a number of local clients.

### Crew Manager — *Gwyndow's Window Cleaning*, Austin

AUGUST 2011 - DECEMBER 2015

Responsibilities included collaborating with the company owner to oversee a crew of 5-10 employees on residential jobs of varying size for homeowners across Austin. Ensured a level of service that remains highest in safety standards and satisfaction ratings on Yelp and Angieslist.
